## THE COVER

Ingalls Memorial Library was built in 1894 and dedicated in 1895. This Victorian building with its 1973 addition stands on historic ground. The original owner was Colonel Nathan Hale of Revolutionary fame ( not the American patriot hanged by the British as a spy). Later the Ingalls homestead and store stood on this spot. The Honorable Rodney Wallace gave the money for the first building and named it in honor of his wife's family.

Over the 90 years of its history, this library has done an outstanding job in its services to the community, maintaining, at first, three trustees, and later, six -- as well as a succession of educated, dedicated librarians.

This is an accredited library under New Hampshire Library Laws and Regulations. Its services are free to citizens of Rindge and summer residents. The library contains about 17,000 volumes. Part of the building contains a fine children's library.

On the lower floor there is a meeting room with accommodations for about 75 people. Also the Rindge Historical Society maintains a fine museum of historical artifacts on the lower floor. On the top floor is a collection of stuffed animals and birds native to this region. Through the efforts and under the will of the late Mary Lee Ware, the collection was assembled and is maintained by the Historical Society.

## BUDGET COMMITTEE REPORT

The Budget Committee is in general agreement with all money articles in the 1985 Town Warrant.

We would like to thank the Board of Selectmen and the various Department Heads for their time and cooperation in assisting this committee regarding all budgets.

As a result of recurring comments made to this committee during budget reviews over the past few years, it appears to us that the Town of Rindge is approaching the day when it will require a comprehensive set of personnel policies, guidelines and regulations. We recommend that the Board of Selectmen cause a study to be conducted in this regard.

Respectfully submitted,

Rindge Budget Committee

REPORT OF THE ROAD AGENT  
For the Year Ended December 31, 1984

This year's main projects were as follows:

1. Rindge Center Common.
2. Paving West Rindge Village plus Goodall Street.
3. Site work at our solid waste disposal area.
4. Widening a portion of Lord Brook to improve site distance and shimming approximately 1,600 feet with a hot top base.
5. Installing 30' of 4' pipe arch on the Old New Ipswich Road.

Most of the main projects this year were held up due to scheduling of sub contractors. Which made a long drawn out Summer and Fall for the Highway Department and all people involved.

I would like to take this time to thank the Towns People for putting up with all the inconvenience that was encountered during these projects.

Respectfully submitted,

Peter J. Anderson  
Road Agent

SELECTMEN  
Town of Rindge  
Rindge, New Hampshire

As part of our examination of the financial statements of the Town of Rindge, New Hampshire for the year ended December 31, 1983, we made a study and evaluation of the Town's system of internal accounting control to the extent we considered necessary to evaluate the system as required by generally accepted auditing standards. Under these standards, the purpose of such an evaluation is to establish a basis for reliance on the system of internal accounting control in determining the nature, timing and extent of other auditing procedures that are necessary for expressing an opinion on the financial statements and to assist the auditor in planning and performing his examination of the financial statements.

The establishment and maintenance of a system of internal accounting control is an important responsibility of Town officials. The objective of internal accounting control is to provide reasonable, but not absolute, assurance as to the safeguarding of assets against loss from unauthorized use or disposition and the reliability of financial records for preparing financial statements and maintaining accountability for assets. The concept of reasonable assurance recognizes that the evaluation of these factors necessarily requires estimates and judgments by Town officials.

Because of the inherent limitations in any system of internal accounting control, errors or irregularities may nevertheless occur and not be detected. Also projection of any evaluation of the system to future periods is subject to the risk that procedures may become inadequate because of changes in conditions or that the degree of compliance with the procedures may deteriorate.

Our study and evaluation made for the limited purpose described in the first paragraph would not necessarily disclose all material weaknesses in the system. Accordingly, we do not express an opinion on the system of internal accounting control of the Town of Rindge taken as a whole. However, our study and evaluation disclosed the following conditions that we believe result in more than a relatively low risk that errors or irregularities in amounts that would be material in relation to the financial statements of the Town of Rindge may occur and not be detected within a timely period.

**ANNUAL REPORT**

---

These conditions were considered in determining the nature, timing, and extent of the audit tests to be applied in our examination of the 1983 financial statements, and this report does not affect our report on these financial statements dated January 27, 1984.

We wish to express our appreciation for the cooperation we received from Town officials at all levels.

We would be pleased to discuss our comments further with you should you so desire. This report is intended solely for the use of management and should not be used for any other purpose.

Respectfully submitted,

A. Purchasing System

Finding - The Town does not have a purchase order system whereby the selectmen approve expenditures before the Town is obligated (except in the case of contracts for which bids are requested).

Recommendation - We recommend that, in order to provide effective internal control over expenditures, a system of purchase orders or purchase requisitions be established.

B. Resident Taxes

Finding - There were still uncollected resident taxes from 1979 and 1980 of \$190 and \$410 from 1981. Collection at this time would seem improbable.

Recommendation - We recommend that uncollected resident taxes be reviewed and old items be abated unless it can be determined there is a reasonable possibility of collection.

INGALLS MEMORIAL LIBRARY  
REPORT OF THE TRUSTEES 1984

This has been a year for many minor repairs at the Library. At suggestion of the Fire Inspector, the lighting in the Children's Room was changed and new shades installed in the entry way.

Our thanks go to Mr. Jed Brummer for his assistance in getting the east windows in the attic repaired. We regret that business reasons made it necessary for him to resign as trustee. Dr. Richard A. Durham was appointed by the selectmen to replace him.

This coming year we hope to replace the exterior door which is warped and to add an airlock entry to help out down on heating costs.

A new Mita copier which was badly needed was purchased this year. Generous contributions from the Roy A. Hunt Foundation and from the Friends of the Library helped to make this possible.

Our librarian, Mrs. Priester, organized a successful book sale this fall which we hope will become an annual event.

The Home Health Care and Community Service has inaugurated a health clinic which meets at the Library.

The Library was fortunate to be given a copy of the History of Rindge by Ezara Stearns which was donated by Mr. H. Burr Eldredge of Winchendon.

Our thanks go to the dedicated volunteers who have given so much of their time and service to the Library, to Mrs. Jodee Lee for once again so ably managing the annual flea market, to Ralph Green, our faithful custodian, and to Mrs. Priester and her staff who do such an excellent job of running the Library so smoothly.

REPORT OF THE LIBRARIAN

In the spring, we used our new copier to duplicate a questionnaire relating to library functions. We specifically asked for ways by which we could better serve the community. The comments on the returned questionnaires were very worthwhile and we'd like to thank those, both children and adults, who took the time to answer. Whenever possible, we have incorporated these suggestions into our ordering and into our routine.

Spring saw the start of a toddler class which is held on Thursday mornings in the Meeting Room at the Library. Mothers ably supervise sessions of stories and games. The group, open to all toddlers, has been well attended.

As requested by the mothers, Police Chief David Collum scheduled

a fingerprinting program for the toddlers and other pre-school children in the community. We hope that Chief Collum will repeat this service in the spring.

We were sorry that Jodee Lee found it necessary to take a leave of absence but she hopes to return soon. Jodee covered the desk on Monday and Tuesday evenings and especially enjoyed helping the children with their R.E.A.P. papers. Mrs. Blackall, our children's librarian, graciously consented to work longer hours until Jodee's return.

All school classes are invited to visit the library at a scheduled time during the week. This period may be used for choosing books or magazines, listening to tapes, doing reference work and enjoying other library facilities. We have, at the present time, five classes attending weekly.

Our Meeting Room is open, free of charge, to any local, non-profit group and is open to others at a minimal charge. The room has been well used this past year.

The Franklin Pierce Elderhostel participants, making scheduled weekly tours, expressed surprise at our unique museums and thoroughly enjoyed the lovely Library.

We welcome Bill Shannon to our group of volunteers and we thank all our volunteers for their many hours of Library service. Clair Adams, Clara Fraser, Flossie Hastings, Hazel Killam, Jodee Lee, Bobbie Nichols, Ellen Sinclair, Gail Smith and Bill are deeply appreciated.

As is our custodian, Ralph Green, for the many ways he shows his care for the Library. We are indeed fortunate.

At the end of this year, I welcome the opportunity to thank the Library Trustees and the Staff for their support and cooperation. And thanks, too, to all our patrons.

Please remember that this is your Library, open to all in the community. We welcome suggestions as to how we may be more helpful. Our collection is constantly being up-dated, our best seller list is impressive.

We hope to see you soon.

Marjorie Priester  
Librarian

**REPORT FROM THE CHILDRENS LIBRARIAN**

Classes from Rindge Memorial School continue to use the library facilities on Monday, Thursday and Friday afternoons to obtain books and records for pleasure as well as material for various school projects.

Discarding of outdated books, purchasing new books and inventory are three important ongoing projects for the librarian.

There was no formal summer reading program, but children were encouraged to use the library facilities, including our ever popular cassette tape collection.

Magazines which are popular with the children are Penny Power, Odyssey and Cobblestone.

RINDGE CONSERVATION COMMISSION - 1984

During 1984 the Rindge Conservation Commission has worked for the protection of the Town's natural resources. The commission notified The State Water Supply and Pollution Control Board of two violations of wetland ordinances. After the sites were visited by State Officials, the offenders complied with state laws as an alternative to having their cases taken to the Attorney General's Office.

The Conservation Commission (C.C.) has tried to inform private citizens and businessmen that if they intend to excavate, remove, fill or dredge any property in or adjacent to any waters of the State that they must apply for a dredge and fill permit at least thirty days before commencing work.

The C.C. met with a representative of the Monomonac Lake Homeowners Association to share information on protecting Lake Monomonac from pollution and siltation. C.C. members worked with the Planning Board in inspecting commercial sites and in advising on subdivisions. The C.C. was represented at most regular Planning Board meetings and encouraged the future adoption of a Wetland's Ordinance similar to those in force in New Ipswich and Jaffrey.

Scott Henrikson and Holly Crawford were sponsored by the C.C. at Youth Conservation Camp and received scholarships to attend from the Monadnock Bank and Ed & Marge Stevens of Ed's Auction.

C.C. members also prepared and distributed a newsletter, attended a Miller's River Public Hearing, met with and were advised by Tom Chrisendon of the Soil Conservation District, wrote letters about environmental concerns and continued maintenance on the disease resistant elm trees planted next to the Town Office.

Bob Ames was appointed to the C.C. and Anne Clarke resigned. The members are grateful to Ms Clarke for her four years of service and especially for the time she devoted to Acid Rain Testing.

### RINDGE PLANNING BOARD

In 1984, the Rindge Planning Board, in addition to 12 regularly-scheduled monthly meetings, held 11 workshops (5 on amendments to the zoning ordinance, 4 on the master plan, 1 on wetlands preservation, and 1 on overall planning.) It held 7 hearings concerning subdivisions (2 technical, which involve no additional lots), 3 minor (less than 5 lots), and 2 major (over 4 lots.) These subdivisions created a total of 22 new lots.

The Board also made 6 on-site inspections and held 3 public hearings on proposed growth management regulations, a means of insuring orderly and not-too-rapid growth. The growth management proposal was defeated by a narrow margin at the March 1984 town meeting.

The Board anticipates continuing its consideration of wetlands and related matters, updating the master plan, and projected population growth as it affects town services such as fire and police protection, road construction and maintenance, and the school system.

**SELECTMEN'S REPORT - 1984**

The year 1984 was a successful one for the Selectmen. Our main projects were the curbing, landscaping and paving around the Rindge Center Common, the paving of West Rindge Village and a new fence at the West Rindge Common.

The project is completed on our Rindge Solid Waste Transfer Station. Since we still have two years left on a contract with the Town of Winchendon landfill our dump costs are fixed for two more years.

The Board of Selectmen meetings on Wednesday evenings have been switched to Thursday evenings from 7PM to 9PM. Anyone who has problems or other matters which they would like to discuss with the Board are welcome to attend.

We wish to thank all the town officers, employees, Board members, Town Counsel for his free time, and all the committees who have worked so hard to make things run smoothly over the past year. Special thanks to our Administrative Assistant, Mabel Speckman. There are many dedicated people in Rindge and we are indeed fortunate that so many are willing to serve which adds much to the enjoyment of life in Rindge.

As can be seen on the chart above, 1984 kept your fire department very busy. The year 1983, which is close to the norm for activity, is shown for comparison.

Overall we experienced a 23% increase in calls last year which by itself is bad enough, however the figures for structure and chimney fires are very sobering. In 1984 structure fires showed an upward surge of 117% while chimney fires increased by 58%. We believe (and hope) that this was just a fluke and doesn't indicate the beginning of a trend. We will be keeping an eye on this in the future.

A fire prevention committee has been formed and is making a concerned effort to take our message to the community. If your club or group would like us to put on a program, please contact us for arrangements. Also, we will be happy to go to your homes for a fire safety inspection.

The portable hand held radios authorized last year were put into service and through the efforts of the Rindge Firefighters Assn. four additional units were purchased for use by the lieutenants.

We would like to make the Town aware of a good neighbor we are very lucky to have; the Meadowood Fire Department, which responds to Rindge and other communities to assist at fires and emergencies. Meadowood, as a private fire department, does not receive public funding and must generate it's own income. As a member of mutual aid, Rindge can call on other fire departments to come to our assistance, including Meadowood, and in return we are obligated to send assistance to other communities when they are in need. Herein lies the difference; Meadowood is not a community so it never enjoys the "return favors" of mutual aid coming on their behalf. Meadowood is presently constructing a new training building, which will be used by Rindge firefighters, and they are in need of additional funds to complete the job and have it ready for the spring fire school. Any donations Rindge citizens could send to the Meadowood Fire Dept. in Fitzwilliam would be deeply appreciated by them and would indirectly benefit our own fire department.

Let's make a commitment to make our homes and jobs fire safe so we don't have a repeat of 1984.

Craig A. Hoyt, Chief  
Rindge Fire Department

(A detailed list of offenses is available at the Police Department)

The impact of crime and its costs, both direct and indirect, affects us all. The loss of personal property in a residential burglary, the cost of shoplifting that is passed on to the consumer, the cost of police service, the cost of rehabilitation and, the immeasurable cost of the victims suffering. While there is no panacea for the prevention of crime, there is evidence of the effectiveness of crime prevention programs that combine physical security, community awareness and police effort. While the overall activity generated by the Police Department for the past year is up more than twenty per cent (20%), we can't do it alone. Don't be lulled into a false sense of security and think "It can't happen here", be aware of who and what is going on around you. Take advantage of improved security measures for your home and business. Take notice of who is out and about your neighborhood. With more than three thousand (3000) vehicles a day and more than one hundred (100) new residents a year, Rindge is no longer a quiet little town where everyone knows everyone else but, with your help, it will continue to remain a safe and secure community of concerned and caring people. Together, we can make a difference.

Sincerely,

**RINDGE RECREATION DEPARTMENT  
1984**

The goal of the Rindge Recreation Committee continues to be that of offering a wide range of quality activities and programs for all Rindge Residents.

Last year we offered a winter recreational swim at Clark Memorial which was highly attended and will continue to be offered annually. Also, cross country skiing at Woodbound Inn(Bill Koch League) has been offered both years. Our summer program including day camp, swim lessons and tennis will continue in 1985. All were highly attended activities. The summer baseball program including Jenny League, Little League, Babe Ruth, and Instructional League reached over 75 children. We purchased new uniforms for the Little League teams in 1984 and will be purchasing uniforms in 1985 for the instructional league.

Childrens programs were remarkably well attended. The February Playground program, Halloween and Christmas Parties, have all been very successful and new plans are underway to make the 1985 events just as exciting.

We offered a Red Cross Certified Babysitting Class so the town now has a list of teenagers who have been taught and certified in the care of children. All students carry proof of this class, another means of serving the members of our community.

New programs for 1985 include expanded Summer Swim Program, supporting the elementary school basketball and soccer(removed from school budget due to 1985 budget cuts), and a Bingo program held monthly for adults.

Our building is complete thanks to many area businesses and support of several townspeople who helped throughout the year. It will be used throughout the year as a storage facility for equipment. We are now investigating the possibility of placing a phone inside for emergency use.

As always, feel free to contact any of us at any time for comments or suggestions.

Office Phone Number is 6158 and Debbie can be reached anytime during the day.

Sincerely  
Jeffrey Dana

### ARTICLE I - Enactment and Intent

Section 1. Pursuant to the statutory power vested in the Town under R.S.A. 31:61-A, the Town of Rindge hereby establishes this Growth Management Ordinance and Regulations as set forth below. These regulations shall be known and cited as the Town of Rindge Growth Management Regulations.

Section 2. Intent. It is the intent of these Growth Management Regulations to provide for the orderly growth of Rindge and in furtherance of the purposes under R.S.A. 31:62-A.

Section 3. Financial and Economic Considerations. It is the intent to promote the development of a financially sound and environmentally rural residential community and to allow for growth taking into consideration that the Town of Rindge in the last decade has experienced a disproportionate amount of growth.

Section 4. Pursuant to Master Plan. Pursuant to the Master Plan adopted by the Town of Rindge Planning Board and to protect and promote the health, safety, property values, and general welfare of the residents of the Town of Rindge, the rate of growth for the Town of Rindge is established as a part of this ordinance. The Town of Rindge hereby controls unreasonable growth which would interfere with the Town's capability for planned orderly growth and adequate provision for community services, which do not include now or in the future town sewer and water, it being anticipated that the town will continue to rely on individual wells and septic systems.

Section 5. Harmonious and Orderly Growth. The adoption of this ordinance is also intended to assure harmonious growth with the Town's natural resources capability and to allow the goals, plans and objectives of the Town as set forth in the Town of Rindge Master Plan to be realized.

Section 6. Rate of Growth. The Town of Rindge adopts this ordinance, which will provide for a rate of growth not to exceed the average number of new single-family dwelling unit permits issued from 1971 through 1983 inclusive ( 28 permits).

Section 7. Sunset Provisions. It is the intent of this ordinance to terminate and leave for consideration at the Town Meeting in 1987 unless appropriate action is taken to extend or otherwise amend this ordinance.

### ARTICLE II. Regulations.

Section 1. The Town hereby establishes that no more than twenty-eight (28) building permits are to be issued for new single-family dwelling units per year and no more than eighty-four (84) such building permits over three year period. Applications for new single-family dwelling unit building permits will be accepted by the Selectmen upon the adoption of this ordinance, and permits will be issued on a first come first served basis beginning April 1, 1984. Unissued permits shall not be carried forward from year to year.

Section 2. Permits for new dwelling unit construction shall run with the land for a period of twelve (12) months. In the event that substantial construction meaning foundation and stick-framing or equivalent, has not occurred during the said twelve month period, the permit shall be null and void and a new application must be filed with the Selectmen for one of the permits to be issued during the following year.

Section 3. Only the owner of land within the Town of Rindge may apply for a new single-family dwelling unit permit, and no individual, partnership, corporation, or other entity shall receive more than three (3) permits per twelve month period. The number of permits to be required for multiple-dwelling units shall be determined by the Planning Board at site plan review hearing.
